

COVID-19 UPDATE

We are in the middle of the "Nevada Statewide Pause" as cases of COVID-19 continue to increase as well as the death toll. We mourn with those who have lost loved ones to this virus and are thankful so many have survived this horrible illness.

We continue to live by the words of Jesus to "love your neighbor as yourself" by worshipping online and having a parking lot service. We do not want to risk anyone's health or stress the healthcare industry further than it already is.

We all want to be together and we will when it is safe to do so when the rate of infection is much, much lower or there is a widely distributed vaccine.

Undoubtedly, this will be the oddest Christmas season of our lives. Yet, within the Christmas hymn, "O Little Town of Bethlehem" we are reminded of the truth that "The hopes and fears of all the years are met in thee (Christ) tonight." This year we will bring new hopes and fears to the manger but one thing hasn't changed: who we turn to in times of trouble. Whether we worship from home or in our sanctuary it is Christ who comes to us to comfort and guide us. 2020 is no different.

We thank you for your many notes of love and support. We miss you all so much.

Please join us online everyday and God bless you.
